**O R D E R**

On September 30, 1991, Kentucky-American Water Company ("Kentucky-American") filed an application with the Commission for a Certificate of Public Convenience and Necessity to construct a 24-inch water main known as the Jacks Creek Pipeline. Kentucky-American also filed a motion to establish a procedural schedule which requires intervenor testimony to be filed at least 10 days prior to the hearing.

The Commission finds that further proceedings are necessary in order to determine the reasonableness of the proposed construction and that Kentucky-American's motion requesting advance notice of any intervenor testimony should be granted.

**IT IS THEREFORE ORDERED that:**

1. The procedural schedule appended hereto shall be followed.

2. All requests for information and responses thereto shall be appropriately indexed. All responses shall include the name of the witness who will be responsible for responding to the

questions related to the information provided, with copies to all parties of record and 12 copies to the Commission.

3. Kentucky-American shall give notice of the hearing in accordance with the provisions set out in 807 KAR 5:011, Section 8(5).

4. Kentucky-American shall give notice of the hearing to the Planning Commission of any planning unit (as those terms are defined in KRS 100.111) having jurisdiction in Fayette and Jessamine counties, Kentucky.

5. Motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of compelling reasons.

6. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.

Done at Frankfort, Kentucky, this 24th day of October, 1991.
